

25th April 2023

Hello,

I hope you are really well, I'm Faith and I am the Youth Pastor at Alive Church, St George's in Gateshead.

I am just writing to inform you of a great youth event coming up soon that is being hosted at Alive Church in Gateshead. I would love to invite the young people at your church to come and see **Guvna B on the 30th June 2023**.

If you are unfamiliar, Isaac Borquaye, more commonly known as Guvna B, is a triple MOBO Award winning rapper, author and broadcaster from London. His album, everywhere + nowhere (2020) was the UK's highest charting non-explicit rap album that year and he has amassed over 30 million streams. His testimony in particular is amazing to hear, especially for young people, and I would love for as many of our young people across the north east to hear it.

Tickets for the concert are £6 each and can be purchased on Eventbrite at: <https://www.eventbrite.com/e/guvna-b-tickets-609504152327>. We'd love you and your youth group to attend, and while it is hosted by Alive Church, we hope this will be a real evangelistic opportunity and a great fun event for teens from across our region.

A group discount is available, so if you are bringing 10+ youth to the event, email me at faith.ramsay@gateshead.church to receive a personalised discount code. Although the event will be stewarded, we would ask that your youth group are supervised throughout.

Please do get in touch with any questions you may have. My aim is to have as many young people there as possible, so I would love to help you make that a reality, no question is too wild.

Kind Regards,
Faith
