

FINANCE

RESOURCES DAY

Resourcing the local church

Nathan and Samantha will be on hand to assist with generous giving and parish finance queries. Come and find out more about our interactive "Ask the Audience" session for PCCs, Journey of Generosity for congregations and resources available to manage the finances in your parish.

Join us as we demonstrate the latest card-reader donations terminals. This is a great opportunity to open up the possibility of receiving electronic payments either through donations at occasional services or payments for such services as weddings and hall hire.

Please drop by even if it's just to put a face to the name or share a coffee. We would love to see you there!
